10<sup>th</sup> April 2022 – Palm Sunday of the Passion of the Lord

**Masses for the Deceased:** Carl Anthony Owens, recently deceased; Marija Obrovac, Cardinal Idris Edward (Bill) Cassidy, Monsignor Patrick Flanagan, Monsignor Alexander (Lex) Johnson, anniversaries.

**THE WORLD'S GREATEST COURT CASE:** On Palm Sunday we read the history of the Passion of Our Blessed Lord and the events leading up to his conviction and death. This was his trial – the world's greatest. It was the greatest because the prisoner at-the-bar was the greatest man who has ever lived, in him alone the human and the divine were united. Another reason also was because all of humanity was involved in the trial and all of us are affected for good or evil. The Court room was in reality, the whole world.

The case was tried by the supreme court judge, Caiphas, but it had wider implications. Caiphas, in a sense, was the representative of humankind since it was humankind that put the incarnate God on trial, and the verdict that was

eventually imposed, death by crucifixion, was passed by the sinful. And what person is not sinful? Yet paradoxically, the very ones who were responsible for the verdict were its beneficiaries.

When Caiphas passed sentence with the help of the Roman Governor, Pontius Pilate, the stream of human history was diverted into a new channel. Because God was going to die, every person was going to be given the opportunity of receiving eternal life. The cross, which was the instrument of death, would be the means of life. This was the amazing outcome of the verdict. The condemned man was going to die, and to all appearances this was the end of him. And yet in fact, it was only a beginning. Death was to be his crowning glory and the means by which he would win over the world which had condemned him: *if I be lifted up I will draw all men to myself*, he said. From that time onward every generation would look to the cross for consolation and salvation. The blood that fell from it on the ground renewed the world – made what was a barren waste-land into a fertile field. The mystery of the verdict that passed the sentence of death is that the human race who were the authors of it were reconciled by it.

**THE SEASON OF LENT:** Lent is a penitential season of prayer, self-denial and helping others (almsgiving). In this way, the whole Church prepares for Easter with those who are to be baptised. Ash Wednesday and Good Friday are days of fast and abstinence. The law of fasting binds those who have completed their *eighteenth* year, until the beginning of their *sixtieth* year. The law of abstinence binds those who have completed their *fourteenth* year. The rationale behind the Church's law is an invitation for us to join ourselves to Jesus in his forty days of self-denial in the desert. As we imitate our Saviour, we confront our own human weakness and remind ourselves of the brevity of life and our need for salvation which only comes through faith and imitation of Christ.

**The Pascal precept** binds all Catholics to receive Holy Communion at least once a year between Ash Wednesday and Trinity Sunday. The faithful are also obliged to confess their grave (mortal) sins individually in the Sacrament of Penance at least once a year.

**The practice of almsgiving** during Lent is recommended by contribution to Project Compassion. Project Compassion Boxes and Envelopes are available this Sunday in the foyer of the Church

**Stations of the Cross:** This beautiful devotion apt for the season of Lent will be conducted in the Church each **Friday during Lent at 7 pm**. Come and walk the journey in memory of Christ crucified.
